3 department in writing of any derogatory finding, including, but not limited to, any criminal
4 record, of the state fingerprint records check determination or if there is no such finding.
5 After a search of Federal Bureau of Investigation records and fingerprints and upon receipt

7 determination within ten business days of receiving such report.

8 20-1A-35.

9 (a) After receiving a Federal Bureau of Investigation report regarding a national fingerprint

14 as to the director of an applicant's facility, after receiving notification of that unsatisfactory
15 determination, that applicant shall designate another director for such facility for which
16 director the applicant has not received or made an unsatisfactory preliminary records check
17 determination or state fingerprint records check determination and national fingerprint
18 records check determination and proceed under the requirements of Code Sections
19 20-1A-32 through 20-1A-34 and this Code section to obtain a state fingerprint records
20 check determination and national fingerprint records check ~~determinations~~ determination
21 for ~~the~~ such newly designated director. The director and any employee may begin working
22 upon the receipt of a satisfactory state fingerprint records check determination ~~pending the~~
23 ~~receipt of the~~ and national fingerprint records check determination from the department.
24 (b) The department ~~may~~ shall revoke the license of ~~that~~ any facility if ~~the facility~~ it fails
25 to comply with the requirements of this Code section and Code Section 20-1A-33 to
26 receive a satisfactory state fingerprint records check determination and national fingerprint
27 ~~determinations~~ records check determination on the director ~~or to comply with Code Section~~
28 ~~20-1A-33 regarding~~ and all employees ~~other than the director~~.

33 16-12-1.1 or allow any such person to reside at or be domiciled at such facility in violation
34 of Code Section 16-12-1.1. The department shall either deny the issuance of or revoke the
35 license, commission, or registration of any such facility violating the provisions of this

1 Code section. The powers and duties set forth in this Code section are cumulative and not
2 intended to limit the powers and duties set forth throughout this article.

3 20-1A-37.

4 ~~(a) Notwithstanding any other provision of this article, an Any individual who is 18 years~~
5 ~~of age or older who resides in a family day-care home, as defined by Code Section~~
6 ~~20-1A-2, shall not be required to provide fingerprints for routine fingerprints records~~
7 ~~checks if the operator of the family day-care home provides the department with an~~
8 ~~affidavit stating that such individual is not present in the home at the same time as the~~
9 ~~children who are received for pay for supervision and care. However, all persons residing~~
10 ~~in a family day-care home are required to obtain satisfactory preliminary records checks~~
11 ~~and submit them to the department a records check application. Such individual's~~
12 ~~fingerprints shall be submitted for a state fingerprint records check determination and~~
13 ~~national fingerprint records check determination. Such individual may reside at the family~~
14 ~~day-care home upon receipt of a satisfactory state fingerprint records check determination~~
15 ~~pending the receipt of the national fingerprint records check determination from the~~
16 ~~department. If the state fingerprint records check determination is unsatisfactory, the~~
17 ~~department shall notify the operator of the family day-care home, and such individual shall~~
18 ~~not be allowed to reside at the family day-care home until such individual has obtained a~~
19 ~~satisfactory state fingerprint records check determination and national fingerprint records~~
20 ~~check determination or has had the unsatisfactory determination reversed in accordance~~
21 ~~with Code Section 20-1A-43. The department shall revoke the license of a family day-care~~
22 ~~home if such home fails to comply with the requirements of this Code section.~~

23 ~~(b) As an alternative to the requirements set out in this article pertaining to obtaining~~
24 ~~preliminary criminal records check determinations through the department for employees~~
25 ~~of centers and adults residing in a family day-care home, but not including directors of~~
26 ~~centers, centers may obtain GCIC information through local law enforcement agencies. The~~
27 ~~center shall be responsible for reviewing the GCIC information obtained for the potential~~
28 ~~employee or adult residing in the family day-care home and making a written determination~~
29 ~~that the individual does not have a criminal record as defined in this article. This written~~
30 ~~determination, together with all supporting documentation received from any law~~
31 ~~enforcement agency, must be maintained in the center's file and available for inspection~~
32 ~~by the department. This satisfactory determination must be made before the employee~~
33 ~~begins any duties for the center.~~

1 20-1A-37.1.

2 (a) Where ~~However, where~~ there is an urgent need for an emergency temporary employee
 3 to work at a center's facility in order to avoid immediate noncompliance with staffing
 4 requirements, such center may utilize the employee applicant as an emergency temporary
 5 employee after applying for the preliminary records check determination through the local
 6 law enforcement agency ~~and completing the affidavit~~. In such emergency situations, the
 7 director of the center ~~must~~ shall complete an affidavit, with all supporting documentation
 8 attached thereto, stating that the GCIC information has been requested through an
 9 identified local law enforcement agency and that the results were not immediately available
 10 to the center prior to assigning the employee to work with children at the center's facility
 11 in order to avoid immediate noncompliance with staffing ratios. The affidavit with
 12 supporting documentation ~~must~~ shall be maintained in the center's file on the individual
 13 and shall be available to the department for inspection. The director shall review the GCIC
 14 information upon receipt, but in no case shall an emergency temporary employee be
 15 permitted to continue working for more than ~~three~~ ten days without having a satisfactory
 16 state fingerprint records check determination ~~made by the director and national fingerprint~~
 17 records check determination made and entered into the center's file on the employee with
 18 all supporting documentation. The department shall promulgate rules and regulations
 19 limiting the extent to which centers are authorized to use emergency temporary employees
 20 in accordance with this subsection.

21 (b) Employees, emergency temporary employees, and other adults required to have records
 22 ~~checks~~ check applications who are utilized by centers ~~are~~ shall be subject to all other
 23 requirements set forth in this article. Where the department has reason to question the
 24 validity of the NCIC information or GCIC information or the satisfactory determination
 25 ~~made by the center~~, the department may require the employee, emergency temporary
 26 employee, or other adult to submit a ~~preliminary criminal~~ records check application
 27 through the department together with appropriate fees.

28 20-1A-38.

29 (a) If the director of a facility which has been issued a license ceases to be the director of
 30 that facility, the licensee shall thereupon designate a new director. After such change, the
 31 licensee of that facility shall notify the department of such change and of any additional
 32 information the department may require regarding the newly designated director of that
 33 facility. Such information shall include, but not be limited to, any information the licensee
 34 may have regarding preliminary records check determinations or ~~any~~ state fingerprint
 35 records check determinations and national fingerprint records check determinations
 36 regarding that director. After receiving a change of director notification, the department

1 shall make a written determination from the information furnished with such notification
2 and the department's own records as to whether satisfactory or unsatisfactory preliminary
3 records check determinations or state fingerprint records check determinations and national
4 fingerprint records check determinations have ever been made for the newly designated
5 director. If the department determines that such director within 12 months prior thereto has
6 had satisfactory state fingerprint records check determinations and national fingerprint
7 records check determinations, such determinations shall be deemed to be satisfactory state
8 fingerprint records check determinations and national fingerprint records check
9 determinations as to that director. The license of that facility shall not be adversely
10 affected by that change in director, and the licensee shall be so notified.

11 (b) If the department determines under subsection (a) of this Code section that there has
12 ever been an unsatisfactory preliminary records check determination or state fingerprint
13 records check determination or national fingerprint records check determination of the
14 newly designated director which has not been legally reversed, the center and that director
15 shall be so notified. The license for that director's facility shall be indefinitely suspended
16 or revoked unless the center designates another director for whom it has not received or
17 made an unsatisfactory preliminary records check determination or state fingerprint records
18 check determination or national fingerprint records check determination and proceeds
19 pursuant to the provisions of this Code section relating to a change of director.

20 (c) If the department determines under subsection (a) of this Code section that there have
21 been no state fingerprint records check determinations and national fingerprint records
22 check determinations regarding the newly designated director within the immediately
23 preceding 12 months, the department shall so notify the center. The center shall furnish
24 to the department the ~~fingerprint~~ records check application of the newly designated director
25 after the date the notification is sent by the department, or the license of that facility shall
26 be indefinitely suspended or revoked. If that ~~fingerprint~~ records check application is so
27 received, unless the department has within the immediately preceding 12 months made a
28 satisfactory state fingerprint records check determination regarding the newly designated
29 director, the department shall perform a state fingerprint records check determination of
30 the newly designated director, and the applicant and that director shall be so notified. If
31 that determination is unsatisfactory, the provisions of subsection (b) of this Code section
32 regarding procedures after notification shall apply. If that determination is satisfactory, the
33 department shall perform a national fingerprint records check determination for that
34 director as provided in Code Sections Section 20-1A-34 and subsection (a) of Code Section
35 20-1A-35. The director may begin working upon the receipt of a satisfactory state
36 fingerprint records check determination pending the receipt of the national fingerprint
37 records check determination from the department. If that determination is satisfactory, the

center and director for whom the determination was made shall be so notified after the department makes its determination, and the license for the facility at which that person is the newly designated director shall not be adversely affected by that change of director. If that determination is unsatisfactory, the provisions of subsection (b) of this Code section shall apply.

20-1A-39.

(a) Before a person may become an employee other than a director of any center after that center has received a license, that center shall require that person to obtain a satisfactory ~~preliminary records check~~ state fingerprint records check determination pending the receipt of the national fingerprint records check determination. The center shall maintain documentation in the employee's personnel file, ~~which is~~ available to the department upon request, which reflects that a satisfactory ~~preliminary criminal~~ state fingerprint records check determination was received before the employee ~~began~~ begins working with children. If the ~~preliminary~~ state fingerprint records check determination for any potential employee other than the director ~~reveals a criminal record of any kind is unsatisfactory,~~ such potential employee shall not be allowed to begin working until either such potential employee has obtained a satisfactory state fingerprint records check determination and national fingerprint records check ~~determinations~~ determination or has had the unsatisfactory ~~preliminary or~~ state fingerprint records check determination or national fingerprint records check determination reversed in accordance with Code Section 20-1A-43. If ~~either the preliminary or the~~ state fingerprint records check determination or national fingerprint records determination is unsatisfactory, the center shall, after receiving notification of the such unsatisfactory determination, take such steps as are necessary so that such person is no longer an employee. ~~Any potential employee other than the director who receives a satisfactory preliminary records check determination shall not be required to obtain a fingerprint records check determination except as permitted in accordance with subsection (c) of this Code section.~~

(b) A license ~~is~~ shall be subject to suspension or revocation, and the department ~~may~~ shall refuse to issue a license if a director or employee does not undergo the records ~~and fingerprint checks~~ check application applicable to that director or employee and receive satisfactory determinations.

(c) After the issuance of a license, the department may require a state fingerprint records check determination and a national fingerprint records determination on any director or employee to confirm identification for records search purposes, when the department has reason to believe the director or employee has a criminal record that renders the director

1 or employee ineligible to have contact with children in the center, or during the course of
2 a child abuse investigation involving the director or employee.

3 (d) No center ~~may~~ shall hire any person as an employee unless there is on file in the center
4 an employment history and a satisfactory ~~preliminary~~ state fingerprint records check
5 determination and national fingerprint records check determination or, if the ~~preliminary~~
6 state fingerprint records check determination ~~revealed a criminal record of any kind and~~
7 national fingerprint records check determination was unsatisfactory as to such person,
8 ~~either satisfactory state and satisfactory national records check determinations for that~~
9 ~~person or~~ proof that ~~an~~ such unsatisfactory determination has been reversed in accordance
10 with Code Section 20-1A-43.

11 (e) A director of a facility having an employee whom that director knows ~~or should~~
12 ~~reasonably know~~ to have a criminal record that renders the employee ineligible to have
13 contact with children in the center shall be guilty of a misdemeanor. If a director is
14 convicted, including a plea of nolo contendere, pursuant to this subsection, such director
15 shall not be eligible to remain as or become a director subsequent to such conviction.

16 20-1A-39.1.

17 On or before June 30, 2010, the department shall perform a criminal background check for
18 each person who, as of June 30, 2008, was a director of, employee of, or adult living in a
19 family day-care center requiring a satisfactory state fingerprint records check determination
20 and national fingerprint records check determination, the same as required under this article
21 for new directors, employees, or adults living in a family day-care center on and after July
22 1, 2008, unless such person is no longer a director of, employee of, or adult living in a
23 family day-care center at the time a criminal background check would otherwise be
24 performed under this Code section. If any such person has an unsatisfactory state
25 fingerprint records check determination or national fingerprint records check
26 determination, such person shall follow the procedure set forth in Code Section 20-1A-43.

27 20-1A-40.

28 (a) GCIC and law enforcement agencies which have access to GCIC information shall
29 cooperate with the department in performing preliminary records check determinations, and
30 GCIC and law enforcement agencies which have access to NCIC information or GCIC
31 information shall cooperate with the department in performing state fingerprint records
32 checks check determinations and national fingerprint records check determinations required
33 under this article and shall provide such information so required for such records checks
34 notwithstanding any other law to the contrary and may charge reasonable fees therefor.

(b) Any person who knowingly and under false pretenses requests, obtains, or attempts to obtain NCIC information or GCIC information otherwise authorized to be obtained pursuant to this article, or who knowingly communicates or attempts to communicate such information obtained pursuant to this article to any person or entity except in accordance with this article, or who knowingly uses or attempts to use such information obtained pursuant to this article for any purpose other than as authorized by this article shall be fined not more than \$5,000.00, imprisoned for not more than two years, or both.

20-1A-41.

(a) Neither GCIC, NCIC, the department, any law enforcement agency, nor the employees of any such entities shall be responsible for the accuracy of information nor have any liability for defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of information or determination based thereon pursuant to this article.

(b) A center, its director, and its employees shall have no liability for defamation, invasion of privacy, or any other claim based upon good faith action thereby pursuant to the requirements of this article.

20-1A-42.

The requirements of this article are supplemental to any requirements for a license imposed by Article 1 of this chapter.

20-1A-43.

A determination by the department regarding preliminary records check determinations or state fingerprint records check determinations or national fingerprint records checks check determinations under this article, or any action by the department revoking, suspending, or refusing to grant or renew a license based upon such determination, shall constitute a contested case for purposes of Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' except that any hearing required to be held pursuant thereto may be held reasonably expeditiously after such determination or action by the department. It is expressly provided that upon motion from any party, the hearing officer may, in his or her discretion, consider matters in mitigation of any conviction, provided that the hearing officer examines the circumstances of the case and makes an independent finding that no physical harm was done to a victim and also examines the character and employment history since the conviction and determines that there is no propensity for cruel behavior or behavior involving moral turpitude on the part of the person making a motion for an exception to sanctions normally imposed. If the hearing officer deems a hearing to be

1 appropriate, he or she will also notify at least 30 days prior to such hearing the office of the
2 prosecuting attorney who initiated the prosecution of the case in question in order to allow
3 ~~the~~ such prosecutor to object to a possible determination that ~~the~~ such conviction would not
4 be a bar for the grant or continuation of a license or employment as contemplated within
5 this chapter. If objections are made, the hearing officer ~~will~~ shall take such objections into
6 consideration in considering the case.

7 20-1A-44.
